

Try-The Technology 2008

CWA – Golden Triangle Chapter

Held Feb. 26, 2008 at the Guelph Campus of Conestoga College

Over 150 people attended the annual hands-on “Try-the-Technology” event held at Conestoga College in Guelph. Eleven welding suppliers were involved with the latest in welding equipment, consumable, and health and safety technology. CWA members from the Toronto, Hamilton, and Golden Triangle Chapters joined students from all of Conestoga College’s six welding trades and engineering technology programs for this hands-on event.
