

The CWB, a division of CWB Group provides certification services to the welding industry. We are an independent not-for-profit organization, and are currently recruiting for a:

Certification Services Representative – Halifax Area

In this exciting opportunity, the successful candidate would be based out of Halifax, Nova Scotia, servicing a group of clients by providing them with company audits as well as procedure and welding testing.

Working from a home office, the Certification Services Representative would travel to client sites where they would interact with building inspectors, engineers, and prospective clients to administer certification standards. The majority of clients are located in Halifax with the remainder throughout Nova Scotia and Prince Edward Island.

The successful candidate will be an Apprenticed Welder or a Welding Technician/Technologist, have a technical background and knowledge of the welding and joining industry. A Level 2 Welding Inspector certification would be an asset. If you possess initiative, strong organizational and planning skills as well as excellent communication skills we would love to hear from you. A valid driver's license in the province of employment and your own vehicle are mandatory as daily and overnight travel is required. Enjoy the freedom and excitement of scheduling your own time and locations everyday!

To apply, email your resume and covering letter to resume@cwbgroup.org or fax to 905-542-1318
