### **Job Posting – Canadian Welding Association (CWA) Manager**

The Canadian Welding Association has an immediate opening for a full time permanent manager responsible for continuing the development of resources and programs that will provide welding professionals with a forum in which to exchange information and share knowledge thereby advancing and promoting the welding profession in Canada. In this newly created role, the CWA Manager would have overall responsibility for the safe, efficient and effective operation for the Canadian Welding Association with overall responsibility for the association's finances, administration, marketing and membership growth.

Key responsibilities include:

- Overseeing the effective operations and growth of the Canadian Welding Association
- Overseeing and managing all public relations and marketing activities
- Growing CWA membership
- Supporting the CWA chapters
- Managing the CWA's relationship with the Canadian Education Community

Should you have a technical background and/or technical knowledge of the welding and joining industry coupled with five to seven years of supervisory, management or sales experience please submit your resume in confidence to [claire.mather@cwbgroup.org](mailto:claire.mather@cwbgroup.org).

We thank all applicants who apply but only those selected for an interview will be contacted.

The CWB Group is an equal opportunity employer.

The CWA, CWB (Canadian Welding Bureau) and QUASAR are divisions of the CWB Group.
