For Immediate Release

**DAVE BOEPPLE, SALES REP FOR EVERETT INDUSTRIES, INC., IS
CELEBRATING SIXTEEN YEARS OF SERVICE WITH THE COMPANY**

Warren, Ohio -- August 30, 2006 -- Everett Industries, Inc. of 3601 Larchmont Avenue, is congratulating Dave Boepple for sixteen years of service as a Sales Representative with their company. Mr. Boepple sells abrasive cut-off saws and wheels in Colorado, Arizona, New Mexico, Wyoming and Utah. He attended Oklahoma State University where he majored in Biology. Mr. Boepple does charity work for the National Association of the Blind and enjoys skiing, golf and fishing. He resides in Westminster, Colorado with his wife and daughter.

Everett Industries, Inc. is operated by Bill Everett, President, Roy Williams, Vice President and sales are directed by Michael Healey, National Sales Manager. The company was founded in 1962 by Chuck Everett, Bill Everett's father, and today employs thirteen people. Everett Industries produces world class, high quality abrasive cut-off machines and wheels sold worldwide to any industry who needs to cut metal, non-ferrous material. Their 37,000 sq. ft. manufacturing facility houses both a modern machine shop and abrasive wheel plant.

A complete product line is available to those who have a cut-off application. Everett's cut-off machines range from an 8" wheel diameter to a 26" wheel diameter. Most machines are available with manual or pneumatic clamping, hydraulic power down feed and wet cutting for metallurgical cutting applications. Dust collection is available for all dry cutting saws. Additional machines include wire rope cut-offs and 16" & 20" single and double mitering cut-off machines.

To purchase or inquire about a cut-off machine or wheel, please call 800-637-7297 or at www.everettindustries.com to download a company catalog.
