**Warren, Ohio** -- September 27, 2006 -- Everett Industries, Inc. of 3601 Larchmont Avenue, is congratulating Jim Van Coevern for sixteen years of service as a Sales Representative with their company. Mr. Van Coevern sells abrasive cut-off saws and wheels in Colorado, Arizona, New Mexico, Wyoming and Utah. He is a 1974 graduate of Emporia State University with a Bachelor's Degree in Business Administration, majoring in Earth Sciences & Meteorology. Mr. Van Coevern enjoys horse back riding and car restoration. He resides in Lakewood, Colorado with his wife.

Everett Industries, Inc. is operated by Bill Everett, President, Roy Williams, Vice President and sales are directed by Michael Healey, National Sales Manager. The company was founded in 1962 by Chuck Everett, Bill Everett's father, and today employs fifteen people. Everett Industries produces world class, high quality abrasive cut-off machines and wheels sold worldwide to any industry who needs to cut metal. Their 37,000 sq. ft. manufacturing facility houses both a modern machine shop and abrasive wheel plant.

A complete product line is available to those who have a cut-off application. Everett's cut-off machines range from an 8" wheel diameter to a 26" wheel diameter. Most machines are available with manual or pneumatic clamping, hydraulic power down feed and wet cutting for metallurgical cutting applications. Dust collection is available for all dry cutting saws. Additional machines include wire rope cut-offs and 16" & 20" single and double mitering cut-off machines.

To purchase or inquire about a cut-off machine or wheel, please call 800-637-7297,
