**For Immediate Release**

**JAMES WAGNER, SALES REP FOR EVERETT INDUSTRIES, INC., IS  
CELEBRATING FOURTEEN YEARS OF SERVICE WITH THE COMPANY**

**Warren, Ohio** -- December 21, 2006 -- Everett Industries, Inc. of 3601 Larchmont Avenue, is congratulating James Wagner for fourteen years of service as a Sales Representative with their company. Mr. Wagner sells abrasive cut-off saws and wheels in upstate New York. He graduated from State University of New York at Cortland with a Bachelors Degree in Secondary Education. Mr. Wagner does charity work for the Food Pantry and local charities of the church. He resides in Ontario, New York with his wife and two kids.

Everett Industries, Inc. is operated by Bill Everett, President, Roy Williams, Vice President and sales are directed by Michael Healey, National Sales Manager. The company was founded in 1962 by Chuck Everett, Bill Everett's father, and today employs fifteen people. Everett Industries produces world class, high quality abrasive cut-off machines and wheels sold worldwide to any industry who needs to cut metal. Their 37,000 sq. ft. manufacturing facility houses both a modern machine shop and abrasive wheel plant.

A complete product line is available to those who have a cut-off application. Everett's cut-off machines range from an 8" wheel diameter to a 26" wheel diameter. Most machines are available with manual or pneumatic clamping, hydraulic power down feed and wet cutting for metallurgical cutting applications. Dust collection is available for all dry cutting saws. Additional machines include wire rope cut-offs and 16" & 20" single and double mitering cut-off machines.

To purchase or inquire about a cut-off machine or wheel, please call 800-637-7297,
