For Immediate Release

**J.J. FRANCIS, SALES REP FOR EVERETT INDUSTRIES, INC., IS
CELEBRATING FIVE YEARS OF SERVICE WITH THE COMPANY**

Warren, Ohio -- February 2, 2007 -- Everett Industries, Inc. of 3601 Larchmont Avenue, is congratulating J.J. Francis for five years of service as a Sales Representative with their company. Mr. Francis sells abrasive cut-off saws and wheels in Minnesota, North & South Dakota, Iowa and Nebraska. He attended Mankato State University where he received his Bachelor of Science degree in Aviation Management. Mr. Francis does charity work for the American Cancer Society and resides in St. Paul, MN. with his wife and son.

Everett Industries, Inc. is operated by Bill Everett, President, Roy Williams, Vice President and sales are directed by Michael Healey, National Sales Manager. The company was founded in 1962 by Chuck Everett, Bill Everett's father, and today employs fifteen people. Everett Industries produces world class, high quality abrasive cut-off machines and wheels sold worldwide to any industry who needs to cut metal. Their 37,000 sq. ft. manufacturing facility houses both a modern machine shop and abrasive wheel plant.

A complete product line is available to those who have a cut-off application. Everett's cut-off machines range from an 8" wheel diameter to a 26" wheel diameter. Most machines are available with manual or pneumatic clamping, hydraulic power down feed and wet cutting for metallurgical cutting applications. Dust collection is available for all dry cutting saws. Additional machines include wire rope cut-offs and 16" & 20" single and double mitering cut-off machines.

To purchase or inquire about a cut-off machine or wheel, please call 800-637-7297, e-mail: info@everettindustries.com or www.everettindustries.com to download a company catalog.
