***EXTREME MAKEOVER HOME EDITION USES LINCOLN ELECTRIC EQUIPMENT  
TO WELD ON A RECENT NEW ORLEANS BUILD***

*Extreme Makeover Home Edition* design team fabricator and long-time show volunteer, Jim Bollinger (also an Orlando firefighter) welds at a recent build in New Orleans with Lincoln Electric equipment as part of the show's 50 houses in 50 states drive. Lincoln Electric serves as the show's exclusive welding partner, donating equipment, welding wire and hands-on training to Bollinger and other crew members.

###

*The Lincoln Electric Company, headquartered in Cleveland, Ohio, is the world leader in the design, development and manufacture of arc welding products, robotic, arc welding systems, fume extraction equipment, plasma and oxyfuel cutting equipment and has a leading global position in the brazing and soldering alloys market.
